

Elms Farm Walks

Elms Farm- Dixon Hill – Elms Farm

Approx 3.5 miles (6km) – 1.5 hrs

Directions

Turn right out of the driveway and then take a left to Lower Stanley. Follow the road down to the houses. Immediately past the house on your left, turn left over the stile and follow the waymarked signs across the horse paddock and along the hedge line of the next two fields. Climb over the stile onto the road and turn right. Walk along the verge for approx. 50 yds to the sharp bend in the road. Take the bridlepath through a bridle gate immediately in front of you. Follow the path up the hill and through the next bridle gate where the path continues up over the bank. The path then veers right onto a track and private drive (behind Dixon Manor). See if you can spot this little door (believed to be an ice store)

At the end of the private drive turn right onto the lane. Follow this lane down hill until you reach the drive to Black Barn Farm on your right. Turn down this drive to the farm buildings, turning left through past the first barn and then right to walk through the farmyard with buildings either side. At the field turn right and follow the farm track around the outside of the field. When this track forks take the left hand fork and continue straight until your reach Lower Stanley houses. Climb over the stile and walk up the lane back to Elms Farm.
